

EDWARDIAN
CONSERVATORY
TILED ROOFS

Replacement tiled roofs that will transform your conservatory into a functional and stunning space
- a space meant for living in!

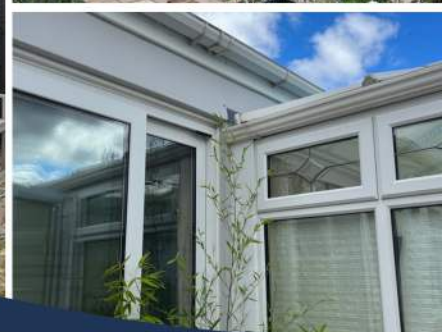

Transform your conservatory with the Warm Roof Division into an all year round living space. Our tiled roof systems undergo thorough testing and are subject to extensive research – producing a compliant, resilient product which is compatible with all roof styles. Its insulation values exceed current building regulations and boast a 0.14 U-value.

Custom tiles are tailored to your existing conservatory frame and provide you with a welcoming living space free from wind and rain noise, leaks and extreme temperature fluctuations.

The experience with Warmroof Division was a pleasure from start to finish. Shaun takes extreme pride in the product he provides and the team around him delivers with the same work ethic and pride. Am extremely pleased with the end result and am looking forward to being able to use the room all year round. Would highly recommend using Warmroof Division if considering converting your conservatory.

"I would recommend anyone considering a replacement conservatory roof to employ Warm Roof Division Ltd. Everything about these guys is 100% professional. From the quote to the installation, communication is excellent. The install team are so friendly. They are punctual, respectful of your property and will leave the project looking amazing. They are all perfectionists! We are so pleased with our new dining room!"
